# WATERFALLS & WILDLIFE

2 NIGHTS ROYAL LIVINGSTONE HOTEL BY ANANTARA, ZAMBIA  
3 NIGHTS CHOBE GAME LODGE, BOTSWANA

FROM USD 4 100.00 PER PERSON  
SHARING

On the banks of the Zambezi River, The Royal Livingstone Hotel by Anantara is named after the legendary explorer, David Livingstone, who named Zambia's iconic waterfall in honour of his queen. Paying tribute to this glorious era, this hotel evokes Victorian elegance and colonial traditions in impeccable style, and offers unforgettable adventures.

Chobe Game Lodge is an elegant, five-star, fully Ecotourism-certified safari lodge and the only property located inside the world-renowned Chobe National Park and set on the banks of the famous Chobe River. Immerse yourself in an all-encompassing safari on land and water in one of Africa's primary wildlife destinations as the Chobe Game Lodge staff share their passion and explore the diversity of Botswana's iconic national park with you.

Highlights of this trip include:

Magical views and exquisite dining set the tone for a colonial group dinner on the lawns of the Royal Livingstone Hotel by Anantara, after an exciting sunset cruise on the Zambezi river.

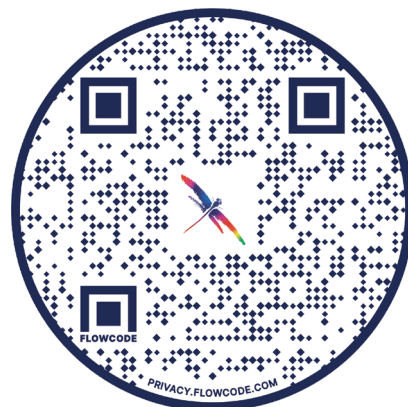

Explore one of the seven natural wonders of the world, the mighty Victoria Falls, and enjoy the awe-inspiring walking tour with great vistas of the Falls. Discover how the Falls were formed, learn about local customs and traditions and visit the arts and crafts center.

Take to the skies and get a new perspective on the sheer magnificence of the Victoria Falls with a scenic helicopter flight.

Say farewell to Zambia with an authentic African Boma dinner, complete with an African market, hair braiders, Makishi dancers and a Marimba band.

Enjoy the diversity of Chobe National Park's abundant wildlife on guided game drives and take in the beauty of the river on boat safaris, while witnessing the herds of game and prolific birdlife along the river banks. Home to the largest concentration of elephants, the Chobe National Park is one of the world's leading wildlife destinations. The famous Chobe River, which forms the park's northern boundary, provides a permanent source of water for the region's high volume of wildlife, making the river an important focal point for safari enthusiasts.
